We typically receive commission for introducing you to Suzuki Financial Services Ltd. The commission will either be a flat fee amount or a percentage of the amount that you borrow. Where we receive a flat fee amount, the commission will be the same, no matter how much you borrow or the interest rate that you pay. Where we receive a percentage of the amount you borrow, this means that the more you borrow, the more commission we will receive. However, the commission will be the same no matter the interest rate that you pay.

All examples based on 8,000 miles per annum \*Included in Optional Final Payment.

Credit is subject to status and is only available to UK residents aged 18 and over.
